## OUR DRINKS

We work closely with local producers and independent suppliers who care deeply about what they make. Our draft beers come from Powderkeg Brewery, brewed just down the road, while our cocktails are led by herbs, botanicals and natural flavours. They're simple by design, gently seasonal and made to let good ingredients speak for themselves.

## OUR WINES

Our wine list is small, considered and always changing. We choose wines that sit comfortably alongside our food - nothing shouty, nothing fussy - just honest bottles with balance and character. As the menu evolves, so does the wine list, shaped by the seasons and the dishes we're cooking right now.
